## Meet Your Missionaries

Charlie Worthy and family are staying at the Missionary Home in Mt. Juliet and are available to share at your church. They are one of the featured families on 2020 Lottie Moon promotional video by IMB. Their Sunday mornings are full but if you hurry you may be able to get them lined up before they return to Europe next summer.

This past summer their family was featured in Lifeway's vacation Bible school promotion "Concrete and Cranes. The five videos gave a glimpse of what their ministry was like from the perspective of their two youngest children, Alessia and Ben.

Later this year the family will also be a focus of the Lottie Moon prayer for international missions emphasis. They will also be able to share the heart of their work in Italy. <https://www.imb.org/lottie-moon-christmas-offering/>

They also have a private Facebook page called newsworthy. It is here that you can receive constant updates about the work, prayer requests, and unique opportunities where you can be involved. Every Christmas they offer a chance for you to bid on items directly from Italy. All proceeds to toward the Lottie Moon Christmas offering. If anyone is interested in being a part of this rayer page please send them a note.

Our Fall semester is underway and there is a lot of excitement on campus. With all the excitement has come a lot of changes as well. This semester there have been restrictions put in place for gathering as large groups and feeding. Our leadership team has met and planned a wonderful semester of ministry. We first kicked off the semester by hosting a concert on campus with contemporary Christian artists The Young Escape. The night was a wonderful boost of encouragement and excitement.

We will kick off our small group Bible studies after Labor Day and will be offering a Bible study for males and females on Tuesday and Thursday evenings for our students that are on campus those different days. Our study this semester will be David Platt's "Something Needs to Change." We also be hosting a Worship Night once a month in September, October, and November. In an effort to outreach we will be going to campus one morning a week with wrapped breakfast foods and juices to connect with students. We are in need of sponsoring each day of food for the campus. By offering small groups on Tuesday and Thursday we have opened up our Wednesday nights and would love to bring a BCM team to your church and lead a service for you with worship music, devotion, and testimonies. If you would like to line up a Wednesday night please reach out to Darrin and we can set up a date.
