Our students are BACK!!! After a long winter break classes at Cumberland have resumed as of January 25. We have an exciting plan for this Spring semester of a COVID-19 year. Many have supported the WOM push through supplying prepackaged snack foods, candy, etc. This semester we are going to utilize those in a very intentional way. On our campus all 27 team sports are competing this spring and we are going to prepare a travel snack sack for the teams with an encouraging note from the CU BCM. This will be great way for us to bless and be in front of our students. If you would like to donate, please contact me.

We also have a travel team that would love to come to your church and lead a worship service. Our team consists of a worship team, speakers, and testimonies. We would love to come and share the goodness of our God through what He is doing on the CU campus through BCM during a Sunday morning or evening service, or a Wednesday night.

Please contact me if you would like to line up a service.
