## From Your Missionary...BSU/BCM

One of my fondest memories of special groups or individuals leading worship was the once a year invite to the BSU at Tennessee Tech. This was a yearly invite and God's people and myself were blessed and touched.

Sunday morning I attended the 11:15 service at Immanuel and ended up wiping away tears of joy and thankfulness as to what God is doing on the Cumberland campus. We have a group of students who love Jesus and live out their faith daily on campus. In the 10:00 service two of our students followed their Savior and Lord in baptism! While college campuses have closed down their ministries we have students who are telling their life changing story! And God is moving!

The good news is this team of students are **AVAILABLE** to come to the church you attend and lead your worship. Plus they are free **UNLESS** you want to take a love offering for Cumberland BCM.

Do not miss out on their stories and music and message. Contact Darrin Reynolds or the Associational office and we will work with the best time for you. These students have a testimony that is continually flowing out of them.

### **1<sup>st</sup> Baptist Mt. Juliet Groundbreaking**

Our Spring semester has begun with a BANG!!!! The Cumberland campus is as busy as I've ever seen it. All 28 teams on campus are presently competing. Our BCM ministry is no different! The month of February has been a huge shot of encouragement! We kicked off our semester off with a worship night on the first Tuesday of the month. We began our 'Gospel Above All' study and continued it over the next three Tuesday's. The students are responding well to being together and not separated to different nights.

We have had the great privilege of taking travel snack bags to our Baseball, Basketball, and Cheer Competition teams. The teams were very appreciative and shocked that we thought of them. Thank you to the many churches and your Women On Mission groups that have assisted in this initiative!!

We also hosted a pancake night on National Pancake day. This is always a hit with our campus! This semester's night was no different.

The highlight of it all has been the privilege of baptizing two young ladies on the morning that Immanuel Baptist hosted BCM day at their church. There are many Gospel Centered conversations occurring on campus and the Lord is saving souls!
