## Dave's Lines...It's GOLDEN time in Tennessee

The summer is behind us and the fall is approaching one day at a time. For most of us it's our favorite time of the year...the beauty of God's creation, "cooler" days, fall breaks, and a new season for our teams with hope and expectancy that this may be the year.

I get pumped up because August-September is GOLDEN time, although one can contribute any time during the year. BUT, this is the time to focus on Tennessee Missions and Tennesseans are involved in many ways to impact our State for Jesus. The Great Commission starts at home.

As Wilson County Baptists, we are recipients and participants in many ways because of the Golden Offering for State Missions. A percentage of your gift returns to the Association which helps with the BCM at Cumberland. The TBMB summer camps for Special Needs, ethnics (All Nations), youth (Impact), and children (Journey) are supported by Golden in which we attend or serve as staff. We have two adult group homes in Lebanon that receive funds from the offering. These individuals are faithful attenders at two of our churches.

And this is just the starting place...from Bristol (Raceway ministries) to Appalachian ministries to Memphis and throughout the state, people are hearing about Jesus and being ministered to because you and our churches gave to the Golden Offering for Tennessee Missions.

BCM Organization Fair

Hi! My name is Kezney Batey and I am from Watertown, TN. I go to First Baptist Church Watertown where I gave my life to Christ in 2015. Since then, the Lord has worked in my heart and has given me a passion for student ministry. I love getting to serve alongside students and see their faith grow; I am so thankful I have the opportunity to do that through BCM every day! If your church is interested in serving the students at Cumberland University, you can sign up to sponsor one of our free lunches we provide every Tuesday or donate snack items and drinks that our BCM team will distribute to our traveling sports teams. We are also offering the opportunity to host a worship service with student testimonies at your church. I am so excited for this year and am expectant of all the wonderful things the Lord will do on this campus!
