This semester is continuing to go great for BCM at Cumberland University! Lunches have picked up and new faces are being seen as more students are learning about free lunches. Silver Springs, Hillcrest, Barton's Creek, and Dave and Melissa Shelley sponsored lunches in the month of October. Sports bags are continuing to be an opportunity to minister to our athletes on campus. Free donuts were passed out before classes during midterm week to encourage students and invite them to BCM. Tuesday night Bible study in the book of James has opened up great conversations among small groups and has influenced moments of intentional prayer. We also invited students for a moment of prayer in the center of campus during class change. Our Worship band led worship and shared testimonies at Barton's Creek Baptist and has two more churches to visit during this semester! One of our very own core leaders, Nathan Clark was crowned Homecoming King; we are so thankful to have him on our leadership team! The Lord is continuing to bless and work through students on campus. We are looking into to some off campus outreach opportunities to serve our community and are excited to continue to serve our campus. We are so appreciative of all of the support we receive from the association!

If you are interested in providing lunch on November 16th, we have one more open date available. The worship band would also love to schedule some churches to lead worship and share testimonies for the spring semester. Please contact Darrin or Kezney if you have any questions!
