Bible study

BCM is still going strong and the spring semester is already flying by! We have completed four out of the seven weeks of our Bible study and are seeing some really good discussions stem from our study material. Our BCM band has done a great job in leading worship every Tuesday whether it is after Bible study or for our monthly worship night. Lunches are back up and going! We started the first lunch strong with 148 students coming by for free Chick-Fil-A! We also reached the wrestling team and men and women's basketball by providing over 60 sports snack bags for them as they traveled to their matches and games. It was so encouraging seeing their smiling faces be so grateful that local churches cared enough to donate snacks to them and that students at Cumberland put the bags together. We are also so grateful for your support in reaching our athletes. We are currently in need of more snacks to be able to continue to make the bags. If your church would like to donate granola bars, peanut butter and crackers, cheese and crackers, or any sort of individually wrapped snacks please let Darrin or Kezney know!

Please be in prayer for the 28 students and leaders going to Orange Beach, AL on our spring break mission trip from March 5th-10th. We are expectant that God will do great thing in our students and the lives that will be ministered to. Thank you all for your love, support and prayers. It is such a great joy to see the Lord at work on the campus of Cumberland University.
