BCM at Cumberland University is full of life! 23 students went to Orange Beach Alabama during spring break and did beach reach as well as RV park ministry. Jesus was shared with many people and many students were inspired to take the same boldness they had while on the mission trip and continue to share Jesus right here in Lebanon Tennessee. Cumberland students will be hosting a worship night at the TN40 RV Campground in April. The Lord is blessing this ministry and students are continually asking more questions and seeing what following Jesus is all about. Please keep praying that the hearts of students on campus will be softened and that more will come to accept Christ. We are so thankful for every part that churches play in helping us do ministry on our campus!
