Dave's Lines...Privileged and Blessed!

Throughout this semester and on the Spring mission trip I get to hang out with an amazing group of young adults that are part of our BCM ministry at Cumberland. I do not know of any finer group of students throughout the state. This has been an amazing year of touching lives and seeing lives changed. Darrin Reynolds and Kezney Batey have poured their hearts out on campus. Our student leadership team has gone the second mile and beyond to make things happen for eternity on campus!

This past Sunday was the end of a lifetime in ministry of Bible drill. Our drillers and leaders are to be commended for doing the work and hiding God's Word on their hearts. Twenty five years ago Liz Lee asked a few of us to make some Bible drill changes and Sunday I got to call the cycle we started with in the season of change. Thanks for allowing me to participate with our churches, leaders, and drillers!

Once again, it is such a privilege to serve with you in impacting lives for eternity! Thank you for inviting and including this Director of Missions. I've been blessed!

The school year at Cumberland University is coming to a close and the Baptist Collegiate Ministry has been amazed at all that the Lord has continued to do. Two students came to know Christ this semester during Gospel training on campus. These students are being disciplined along with some other students who are wanting more Christ centered community. Steps are being taken to get them plugged in to local churches. BCM celebrated the end of the semester with a grill out sponsored by Dave and Melissa Shelley and Hope Baptist. Beach Bash, the final event of the semester was a huge success. During this beach themed event, the BCM band led worship on the quad- the heart of campus. BCM also received the award for best organization at Cumberland. What a wonderful way to end this school year, celebrating all that the Lord has done. I would like to say a special thank you to all the churches and people who play such a huge part in this ministry. I am so incredibly thankful for the opportunity to serve my campus. The BCM at Cumberland University will always hold a special place in my heart and will remain in my prayers always. To God be the glory!
