Dave's Lines...

THANK YOU...NOTHING LEFT!!!

What an incredible 14 year 7 months journey!!! Thank you Wilson County Baptists for your friendship, your heart for reaching people, your open doors, your prayers, your cooperation in working together to impact lives for eternity.

When I started I never thought of what God doors God would open—to Cumberland University students and faculty; to participate in various ministry and mission opportunities; to hang out with children and youth throughout Wilson County; to pray for our churches and leadership continually; to serve alongside so many choice servants of God; and to spend time in community centers investing in the “future” of His church. THANK YOU!

One month ago I meet with our Administrative Committee and decided that my time of departure is sooner rather than later. After a summer of 1500 kids in mostly 95 degree plus temperatures for at least 5 hours a day and preparing and preaching every Sunday except four since last March I have nothing left.

I have done my best and have given all I got. It is not my nature to not do something especially in the greatest work of all. So, thank you for your love and your support in allowing me to be me and in the process becoming a very special part of my life.

As my time with you comes to an end on August 5 it is my deepest prayer that God will bring His man to Wilson County and together, you will do much more in making an eternal difference in God's church and this community.

We are preparing for another great year of ministry on Cumberland's campus through our Baptist Collegiate Ministry. There is a lot of activity on campus right now. There are dorm resident assistants in meetings, fall athletes moving on campus in anticipation of fall camps, and final plans being made for the first day of classes on August 22. Opportunities to Plug in on Campus at Cumberland:

The University has a Community Picnic planned and if your church has not received information to participate let me know and we can get you on campus Saturday August 20 to be a part.

We will begin our Tuesday meals and Bible study on September 6. If you would like to sponsor and supply a meal for the Fall semester let us know.

We will be looking for snacks this year to continue our Sports Bags Outreach. You can donate goods to the WCBA office and we will get them.

Be in prayer for our Evangelism Training/Outreach that we will pick back up as school begins. If you would like to participate let me know.

Thank you for your support in reaching the World at CU!!!
