Dave's Lines...An Incredible Summer

It's been HOT but God has been touching lives for eternity and using Wilson County students in a great way this summer. What a privilege I had to work with 19 of our student leaders and Cumberland students to conduct TBMB camps and community day camps throughout our Association and elsewhere. These young people are such a blessing! God has blessed us with outstanding young leaders in the making. They have made an eternal difference in many lives just this summer plus they keep me somewhat young.

July is Big with more Vacation Bible Schools, 3 community day camps in Norene, Alexandria, and Mt. Juliet plus children's camp to end the summer. We have an incredible number of adults who have given of themselves for an "extra" week (VBS at their church) of investing in precious lives. Summer is the time to impact children and youth and use them as an open door into the family to reach fathers and mothers for Jesus.

Again, thank you for the opportunity to get involved in the lives of people through camps, day camps, or Vacation Bible Schools. It's been a joy to sweat in the sun for the Son!
