From Scott's Heart

On our website we introduce a number of resources we have developed to serve churches. I hope you can take advantage of some of them as you need. It is also my hope that we can develop more resources as I continue to hear from you the things that would help your church more effectively be exactly who God made you to be. We want to remove the barriers and burdens that you face, freeing you to be the best form of yourself and win at the mission God has just for you. In order to do that, I need your help to even know what is gonna help you best. Every church is unique but so many times we face the same or similar struggles. So, what are those things your association can be doing to help our churches be even better? What are the struggles you face? Let me know what you think, I guarantee that you're not alone in your struggle. We are here to help you.

Trust Jesus,

-Scott Brown, PhD

WCBA friends and family,

February was a great month here at BCM and we are excited to be pressing forward into March before too long! This month we have had great turnouts at both BCM lunches and bible studies! Thank you to pastors, Rick Burns, Scott Brown, Poly Rouse, and Mike Massaro for leading our studies this semester so far! We also have had the opportunity to lead worship and speak about our upcoming Costa Rica mission trip at Immanuel Baptist Church! One of our fun excursions this month, we went to climb Murfreesboro and enjoyed fellowshiping there! It is always great to get off of campus and do something fun! At the beginning of the month, we will embark on our Spring Break mission trip to Sevierville TN! We have a huge spring semester ahead of us and are very much looking forward to what God is going to do here at Cumberland! As always, we are delighted to be a part of it. Thank you for continually supporting us both financially and through prayers! We would not be able to do our ministry without you! We still have a few open dates for lunches to be filled. If your church, life group, or ministry is interested in serving at CU by providing lunch, please contact myself at cumberland.bcm01@gmail.com!

Sincerely, Nathan Clark
