From Scott's Heart

May brings so much transition to us. It is a month filled with graduation, more season change, summer break, mowing grass, getting outside. It is also the month we realize summer is almost here and we let the camps, mission trips, and VBS sneak up on us. I pray that's not true for you but that you are ready to take advantage of these opportunities and many more. I pray that May finds you celebrating the goodness of God in His beautiful creation. I pray it finds you somehow free of the allergies that accompany it. Finally, I pray it finds you experiencing God powerfully in your life and that He would spill out and change others' lives by the power of the gospel. May our awesome God bless you richly this month like only He can.

Happy May!

-Scott Brown

WCBA family,

It has been such a wonderful year at the Cumberland BCM! It has been one of our most event filled years so far! We have had several worship nights, a great weekly study, some off campus excursions, an amazing spring break mission trip, and a great summer ahead of us! One unique thing to note is that BCM won the Impact award from the Office of Student Life as an organization that has made a significant positive impact on the campus and community of Cumberland. Our last event of the semester was Beach Bash at which we were able to host a worship night on campus and celebrate the semester behind us and the summer ahead! Although our semester is already over, we ask that you still keep our students in your prayers. We are hosting two BCM Summer mission trips. One to Alaska to serve at Tanalian Bible Camp and one to Costa Rica to work with GC2 Ministries. We also will have a large portion of our students serving at VBS and Youth Groups in their local churches. 4 of our students will be serving on missions in various locations, including Peru, Italy, and Minnesota. Please keep us in your prayers as we continue to share the love of Christ with others throughout this summer and as we return to campus this fall! If you would like to support us financially on our trips this summer, please email Nathan at cumberland.bcm01@gmail.com. Thank you again for your support throughout this year!

Sincerely, Nathan Clark
