From Scott's Heart

Summer is such a blessed, busy time for churches. VBS, camps, dinner on the grounds, special days, etc. It is easy to be too busy but I love being busy in the best things because that means we are busy leading people closer to Jesus.

This month I will be out of pocket for the Southern Baptist Convention (June 9-12) and then a mission trip to Alaska with 7 from our BCM (June 13-26). Please take time, as you think of it, to pray for both of these opportunities. A number of us are going together to the SBC and, as of my writing this, I still have room for one or two more to ride and stay with us. This is a chance to learn more about our cooperative ministry and to speak into much of what we do as a convention of churches. No doubt you have read about many of the challenges we face as a network of churches. I believe in the value of our cooperation as it is based on a desire to see as many as possible come to know Jesus. A few years ago we adopted the name "Great Commission Baptists" to describe ourselves. It is my constant prayer that is what we will be known for more than anything else. It is my hope and my firm belief that we are a large family of churches who long for, more than anything else, to see people come to faith in Christ. If we are united by this consuming desire, there is no issue we can't overcome. May this be true for us in all we do this busy summer. In every service, every VBS, every camp, in everything, may we be found hungering to see just one more person come to know Jesus as Lord... and then another.

Now, go share Jesus with somebody!

Greetings WCBA family!

Although school has ended and we had a great year overall, we still have a few things going on at the Cumberland BCM this Summer! On June 2, we will be leading worship at Shop Springs Baptist Church and we are very excited for it! We also will be having a cookout/get together for students to catch up on what they are up to this summer! In the month of June, we will have CU BCM students serving individually or with their churches on mission in Peru, Italy, Minnesota, and our BCM Alaska missions trip will be from June 13 through the 26th. There will be seven of us, including myself and Scott Brown, who will be traveling to Tanalian Bible camp in Port Alsworth, Alaska to serve and work at the camp! Please pray for safe travels and opportunities to share the love of Jesus as we share the gospel across the world this summer! Many of our students are working camps and VBS with their own churches or other organizations! We are so excited to come back this fall and hear about how God has moved through our student's lives this summer. We are so grateful for your support and we appreciate you!
