--	---	--

Greetings WCBA family,

Fall is here and we are staying busy here at Cumberland! One of the most unique events we hosted was a family worship night at Puckett's Supply Co. where around 175 college students and community members came together for an amazing night of worship led by the BCM band! Another unique aspect of this night was the fact that Abby & Tanner Puckett are BCM Alumni students and it was so amazing to see them pouring back into our community by hosting this worship night. We also took our students on a hiking excursion, served at camp Togo with Foster 180, hosted a freshman pumpkin painting event, served free coffee on campus, prayer walked and served at the CU fall fest. We also hosted a missions night at which our students were able to share their experiences on missions this summer and how God has been working in their lives.

BCM free lunches have also been very successful this semester, we have been averaging around 170 students each week and even had over 200 students visit one Tuesday in early October. We have not had this many students come through the doors at BCM since before covid, so it has been a huge blessing and answered prayer. Great conversations are being had at these lunches, new friendships are being made, and it is our joy to get to serve our community! We are so excited for the rest of the semester & the events coming up. Please keep our ministry and students in your prayers as we continue to make His great name known on our campus. Thank you for your continued support!

Nathan Clark  
Director, Cumberland BCM
