

Missional Messenger

ISSUE TWO

FEBRUARY 2025

Recently I was meditating on the wonder that God saved me. Someone took the time to share the gospel with me and it forever changed my life. I am still in awe by that. I took out my phone right then and sent a message to that man who led me to Jesus thanking him again for sharing Jesus with me. I know it encourages him, and I am overwhelmingly grateful not only to God but to him as well. There is just something special about winning a soul to Jesus. It is a great blessing to know that God would choose to use you in that way. I recommend it highly, sharing Jesus. It honors God. It changes lives. It will become a blessing to you in ways you can't imagine. I pray you get to see someone saved this month as you faithfully share Jesus with others.

on the name of the Lord
shall be saved.

Greetings WCBA Family!

As February is upon us, the spring 2025 semester here at Cumberland is in full swing! We have already had several events and have started back our weekly Bible studies, which have been incredible! In the month of February, we have several events planned, such as a rock climbing excursion, galentines night, a men's event, a worship night, our weekly bible studies, a movie night, & spring break starting on the 28th! Speaking of spring break, we still have several students who need partial or full scholarships to go. Many of whom are international students or students who are unable to work due to their busy class schedules. If you or someone you know would like to sponsor a student on their spring break mission trip, please email me at cumberland.bcm01@gmail.com! The cost is \$300 per student. This trip is an incredible opportunity for students to grow closer to God & closer together while serving others, studying in the Word, & in fellowship.

Additionally, one of our most important outreach events will start back on February 4th, Tuesday Lunches! We still have several lunches that desperately need to be filled, most dates being in March & April. If your church, bible study group, sunday school, friend group, family, or small group would like to provide a meal, please let me know by emailing me at cumberland.bcm01@gmail.com. We feed between 130-150 students each week and each week we have the opportunity to sit across the table from them, learn their names, & create a relationship. The Free Lunches gain us an opportunity to reach students who otherwise would not come through our doors!

Please continue to keep our ministry in your prayers as we try day after day to point others to Jesus & win our campus for Christ.
