Greetings WCBA friends & family,

February was such an incredible month of ministry on campus here at Cumberland and we are excited for the rest of the semester ahead! We will begin this month with our Spring Break Missions Trip to Sevierville Tennessee. We will work with several different ministries to help with both hurricane relief efforts as well as local food bank ministries. Our students will have the opportunity to share the Gospel & serve others. I cannot wait for the week ahead & to update you all on how God will move amidst our students on this trip! Last month, we had several great outreach events! For the first time, we hosted a galentines party at the BCM & we saw a huge turnout of athletes, international, & even some sorority girls show up. This was a huge win as it is often challenging to reach these groups! We also hosted a rock climbing excursion, movie night, coffee cart outreach, and a guy's hang out! It is always so encouraging to see students bringing their friends to participate! On Tuesday evenings, we have been continuing throughout our Classroom Apologetics series, and we are so thankful for every pastor who has come each week to pour into our students! We have covered a wide variety of student chosen topics, such as, Why the Deity of Christ is Important, Marriage & Divorce, Fasting, What does it mean to be a Slave to Christ, & Relationships. After the message each week, we dive into discussion in small groups which have provided meaningful & thought provoking conversations amongst our students. It is incredible to see curiosity & excitement among our students as we dig into the Word. We are also so thankful for the churches who continue to provide our Tuesday lunches each week as it is always a significant blessing to our ministry! There are several spots left to fill, but make sure to sign up soon before they are all provided for! If you would like to provide lunch, please email cumberland.bcm01@gmail.com!
