

Missional Messenger

ISSUE SIX

JUNE 2025

You may or may not be aware of the resources we have been acquiring/developing at your association. Some are listed on our website under Church Resources. They include some tangible things like a popcorn maker and snow cone machine. They also include helps like specific consultations, conflict mediation, or trainings. Another help we are always working toward is developing key relationships with which we can introduce you either to an entity or another church who may be strong in a way yours is struggling. In all of these ways and so many more, it is our aim always to better serve you as you serve Christ. In order to better make disciples across our county, we need every church being as effective as possible at being exactly who God made them to be. It is my honor to serve you and I stand always ready to do that however I can.

Until He comes,
-Scott Brown
