

Missional Messenger

ISSUE ONE

JANUARY 2026

This year will become a pivotal year for the work of our association. Your special committee's recommendations were wonderfully received at our annual meeting, kicking off a lot of work we have ahead of us. The next steps include a survey that will go out in January. We want to hear from you! The good, the bad, the ugly... the unfiltered truth about your view of the past and future of your association and its work. This is always your association and it should reflect your needs and the collective vision God gives through you. We will also begin receiving recommendations for those who will lead our efforts in the ministry teams of starting churches, strengthening churches, and sending churches. If you have someone in mind who, not needing to be an expert, is passionate about those things and is a go-getter, I am eager to recommend them to our nominating team. This is your association and its work should be led by the people who make it up, the people in your churches. I am more nervous and more excited than ever before as we continue this work of discovering God's preferred future for our work. I cannot wait to see the finished product and get busy, together, making it hard for people to get to Hell from here.

Thank You!

I wanted to take this spot in your newsletter just to say thank you. This month marks the completion of 3 years serving you. If I'm honest, I still feel underqualified and overwhelmed at the prospect of serving such awesome churches in the role. It is my great honor and joy to serve you as you serve Jesus. We have seen some great wins along the way but so many of the things I am most proud of are getting to cheer you on as I see individual churches work together, impact their communities with the gospel, and overcome incredible challenges with optimism and grit. I am humbled to serve the greatest churches and saints I have ever known and I am eager to do whatever is needed to serve you going forward. I love you, I'm praying for you, and I am here for you.

Greetings WCBA family!

We are just about to begin our 2026 spring semester here at Cumberland University BCM. There are many great and exciting things on the horizon, such as spring break, Tuesday night, Bible studies and worships, service projects, outreach, events, and summer mission trips.

As you most likely know by now, our Tuesday lunches are the best form of outreach that we have on our campus. We frequently have around 130 students who come to our lunches each week. Many of these students would not come to a Bible study or a worship night. However, free food opens up a door to develop and maintain relationships with these hard to reach students. It's also a way that we can be a blessing to our campus and our faculty members.

We are looking for Sunday school classes, small groups, churches, and friends to support and provide lunches for us this semester. Home cooked or catered meal options are both great. It is also a wonderful opportunity for your church or small group to come and serve the students here on campus. By providing a meal, you allow us to bless our students on our campus, create new relationships, and ultimately share the gospel. If you're interested in learning more about our Tuesday lunches or how you can sign up, please email me at Cumberland.bcm01@gmail.com

Sincerely,
Nathan Clark
Director, Cumberland University BCM
