

# Missional Messenger

ISSUE TWO

FEBRUARY 2026

I want to share my heart about something that happened a few weeks ago when a group of "protesters" stormed into a church service to intimidate and frighten the worshippers. In recent years we have even seen churches become targets of violence. I've not endured that but I have experienced more than a few disruptions to service before. From medical issues, a person interrupting the service to stage some kind of debate, a few custody issues playing out, and even a woman who thought we were the bank and angrily demanded to speak with the manager.... I can't express how important it is to have a plan for even the most seemingly ridiculous things that could happen. Failing to plan really is planning to fail. Whether you have officers at your service, a security team, or just a clear agreement with key people, make sure you are ready to respond in a wise and winsome way to whatever may come. I wish these were not things you and I had to ever worry about, but it is, and those who reason that it will never happen to them are not correct. So, let us always be ready for whatever comes our way so we can stay focused on our shared goal of getting people to Jesus, especially in these evil days.

- Scott Brown  
Director of Missions

## **INCLEMENT WEATHER POLICY**

**This is just to serve as a reminder:  
The WCBA Office closes when Wilson County Schools are closed.**

--	---	--

Greetings WCBA Family!

Here at Cumberland BCM we are in full swing for our spring 2026 semester. Our amazing leadership team has planned a ton of awesome events for this semester and we are very happy to be back in action after a week off due to snow and ice. Currently, we are working through a Ben Stuart study on relationships. It has provided great discussion amongst our small groups. We also have been doing quite a few outreach events on campus!

As spring break quickly approaches, we are still in the process of preparing for it and getting more and more students signed up. We plan to serve again with Smoky Mountain Resort Ministries aiding with food pantries and hurricane helene relief. Students will also have the opportunity to experience the beauty of creation in the Great Smoky Mountains National Park. Each day we will have worship and bible studies as well. We are hoping to have around 50 students go this year. If you would like to help support us, there are two great ways of doing so! Firstly, we ask for your prayers as we serve throughout the week. Secondly, many of these students could use financial assistance to go on the trip, several of whom are international students. The total cost for a student to go on our spring break trip is \$300. Any full or partial scholarships would be awesome! If you would like to donate to help a student on spring break, you can drop off cash or check to the WCBA office at 317 W Spring St.

Please email [cumberland.bcm01@gmail.com](mailto:cumberland.bcm01@gmail.com) with any more questions!

Sincerely, Nathan Clark  
Director, Cumberland BCM
